## Overview

Mitesh Patel is a member of Hopkins & Carley's Corporate Practice, with a focus on trademark, copyright and intellectual property issues. His practice includes working with clients on domestic and international trademark and copyright prosecution and enforcement, branding and advertising issues, internet and privacy law, and technology transactions.

Before joining Hopkins & Carley, Mitesh represented clients in his own intellectual property practice in various industries and was an adjunct instructor at the University of San Francisco School of Management, teaching classes on Legal & Regulatory Environment of Business.

## Professional Activities

- Trademark Supervisor at the Lincoln Law School of San Jose Intellectual Property Clinic.

# hopkins carley
